FIELD DAY AT WTARC — MSU Administration and Deans visited the Western Triangle Ag Research Center on Thursday as part of their annual industry tour of Montana. This year, the group was following Montana Healthcare. From the left is Rep. Rob Cook, Tracy Ellig – Executive Director of MSU Communications, Dr. Hikmet Budak – Endowed Chair of Research for Plant Sciences and Plant Pathology, Dr. Gadi VP Reddy – Superintendent of WTARC, Dr. Charles Boyer – MSU Vice President (Ag), Dean and Director, and Dr. Barry Jacobsen – Associate Director of MT Ag Experimental Research Centers. Montana has seven research centers, with one in the Western Triangle. Not pictured is MSU President Dr. Waded Cruzado.
