Is this tree part of an orchard?

If so, what other trees are present? Please describe the fruit if possible or submit a sample as well.

If not, please describe where the tree is located in the landscape (near a stream, roadside, building, etc.).

Please submit this form with photos or a physical sample of your fruit for identification. Photos can be emailed to [Katrina.mendrey@montana.edu](mailto:Katrina.mendrey@montana.edu). Samples should be mailed to:
